

Illinois Export Alliance

The Illinois Department
of Commerce and
Community Affairs
International Business
Division, has formed
partnerships with valu-
able service entities

throughout the State of Illinois to answer the
many questions asked by Illinois new-to-export
companies. These businesses, whose fields
of specialization are in the areas of interna-
tional law, banking, consulting, and freight
forwarding, offer pro bono services and
answers to critical dilemmas in the global
arena.

On the reverse side is a listing of the business-
es participating in the Illinois Export Alliance.
Access and further information can be
obtained by calling the IBD contact shown with
each firm. Pro bono service hours are limited.
